### **UC Davis FS&T Pilot Plant (CPTIPP) and/or Associated Staff**

Name of P.I./ Researcher/Company:

Contact Person:

Address of P.I./ Researcher/Company:

Address of P.I./ Researcher/Company:

Phone Number:

Fax Number:

Email:

Please describe the research/ project for which you wish to utilize the facility and equipment in the CPTIPP. Include your goals, equipment needs, quantities of samples, material needs, staff requirement, and a detailed schedule.

Dates Requested:

How many 8 hour days do you need the CPTIPP?

List Personnel who will be assigned to work at/on this project at the CPTIPP

Name

Position/Student/Researcher

Employer

Name	Position/Student/Researcher	Employer

Are copies of relevant workman’s compensation insurance available for each of the personnel listed above?

Yes

No

If no, please explain why:

Do you need a data outlet? Yes                      No

Other items you might require (scales etc.):

Will you require any cooler/freezer or dry storage space? Yes                      No

If so, for what period of time?

Will you require use of an analytical laboratory? (No lab personnel or equipment are available, everything in the lab is on a per project basis and brought in and out by the user group). Yes                      No

If so, for what period of time, and what analyses would you plan to run?

Are you bringing any of your own equipment? Yes                      No

If yes, please list in *detail* the electrical and utility requirement as well as equipment dimensions:

After review of the project description and needs, a cost estimate will be provided to you based on the established rates that will be provided via attachment. The cost estimate will also have the CPTIPP Use Policy attached. Please respond to the cost estimate, whether you wish to proceed including complying with the attached Use Policy and to any local, state, federal safety/security rules and regulations or whether you would like to withdraw your application. We will move forward with the other necessary documentation after your acceptance of the cost estimate, all of which will need to be completed and signed by the client prior to any work being conducted at UC Davis CPTIPP.
