A. WADE BRANT

ABSTRACTS

1. Davidson, J.A., P.J. Schaible, A.W. Brant and C.G. Card. 1941. Cannibalism in white leghorn pullets in the laying house. *Poultry Science* 20:458.
2. Brant, A.W., E.H. McNally and Karl Norris. 1950. Eggshell color and its relation to clutch position in Rhode Island Reds. *Poultry Science* 29:749.
3. Wolk, J., E.H. McNally and A.W. Brant. 1951. Yolk measurement used as an indication of temperature deterioration of eggs. *Poultry Science* 30:933-934.
4. Brant, A.W., K.H. Norris and Gilbert Chin. 1952. A spectrophotometric method for detecting blood in intact shell eggs. *Poultry Science* 31:908.
5. Norris, K.H., A.W. Brant and Gilbert Chin. Principles for automatic detection of pseudomonas fluorescence (green rot) in shell eggs. *Poultry Science* 32:918-919.
6. Kraft, A.A. and A.W. Brant. 1955. The influence of environment on lysozyme activity in shell eggs. *Food Technology* 9(5):109.
7. Kraft, A.A., E.H. McNally and A.W. Brant. 1956. Shell quality and bacterial infection of eggs. *Poultry Science* 35:1152.
8. McNally, E.H. and A.W. Brant. 1958. Observations on yolk mottling. *Poultry Science* 37:1225.
9. Kraft, A.A., E.H. McNally and A.W. Brant. 1958. Shell quality and bacterial fluorescence of eggs. *Poultry Science* 37:1218.
10. Kraft, A.A., L.E. Elliott and A.W. Brant. 1958. Effect of antibiotic treatment on storage life of turkeys. *Food Technology* 12(4):154.
11. Kraft, A.A., E.A. McNally and A.W. Brant. 1959. Effect of preservatives in oiled eggs infected with pseudomonas bacteria. *Poultry Science* 38:1220.
12. Sanborn, L.D., A.W. Brant and Cora Miller. 1960. Consumer reaction to egg chalaza. *Poultry Science* 39:1290.
13. Sanborn, L.D. and A.W. Brant. 1962. How industry provides better egg quality for consumers. *Poultry Science* 41:1678.
14. Sanborn, L.D. and A.W. Brant. 1962. Some factors affecting broken-out yolk position. *Poultry Science* 41:1678.
15. Brant, A.W. and L.D. Sanborn. 1963. Consumer and retailer attitudes toward fresh and frozen chicken. *Poultry Science* 42:1258.
16. Brant, A.W., W.W. Sadler and Harriet Lewis. 1966. Consumer and trained panels vs. the veterinary inspector on the wholesomeness of poultry carcasses. 2nd Intl. Congress on Food Safety and Technology, Warsaw.

17. Patterson, G.W., Cheryl P. Waul, A.W. Brant and R.E. Walters. 1967. Further developments in batch pasteurization of liquid whole egg. *Poultry Science* 46:1304.
18. Shupe, W.L., J.W. Goble and A.W. Brant. 1975. Improved raw fowl boning system. *Poultry Science* 54:1817-1818.
19. Brant, A.W. 1977. Water saving chilling procedures in Europe. *Poultry Science Association Meeting, Auburn, Alabama.*
