CURRICULUM VITAE

Name: C. O. Chichester
P.O. Box 271 , Wakefield, Rhode Island 02880

Born: February 11, 1924, New York City

Education: Certificate in Physica, Iowa State University
1944

B.S. Massachusetts Institute of Technology, Cambridge
1949 Chemical Engineering

M.S. University of California, Berkeley
1951 Food Science

Ph.D. University of California, Berkeley
1954 Chemistry and Chemical Engineering

Employment:

1987-present Consultant

1972-1989 Vice President for Science
The Nutrition Foundation Inc.
1126 Sixteenth Street NW Suite 700
Washington, DC 20036

1968-1988 Professor, Department of Food Science & Technology,
Nutrition & Dietetics; and
Associate Director of Development, International Center
for Marine Resource Development
University of Rhode Island, Kingston, RI 02881

1967-1970 Chairman, Department of Food Science & Technology
University of California, Davis, California 95616

Awards and Honors:

International Award, Institute of Food Technologists, 1967
Babcock-Hart Award, Institute of Food Technologists, 1973
Bernardo O'Higgins Award from the Government of Chile, 1969
Medal from the Czechoslovakian Academy of Science
Medal from the Czechoslovakian Secretary of Agriculture
Award from the Guatemalan Government
Plaquette from the Central American Research Institute for
Industry (ICAITI), 1974

Medal from the State of Sao Paulo, Brazil, 1979
Scientific Lecturer, Institute of Food Technologists, 1980-present
The Nicholas Apert Award, Institute of Food Technologists, 1982
George G. Snively Award in Medicine, November 1983
Safety Award USAC - May 1984
Fellow Award, LIFE 1985

Membership in Professional Societies:

American Chemical Society
American Institute of Chemical Engineers
American Institute of Nutrition
American Medical Association
American Optical Society
American Public Health Association
American Society of Biological Chemistry
American Society of Clinical Nutrition
Association of Automotive Medicine
Institute of Food Technologists (Fellow)
Latin American Society of Nutrition
Latin American Society of Food Technology (founding member)
New York Academy of Science
Spectroscopy Society
Society of Toxicology
Venezuelan Society of Nutrition (Fellow)
Others: Cosmos Club; Chemists' Club; Williams Club; Sigma Xi

Service to the following organizations:

American Medical Association:

Chairman, Food Science Committee
Vice President, Council on Foods and Nutrition
Committee on I, II & III Western Hemisphere Conference on Nutrition
Planning Committee on IV Western Hemisphere Conference on Nutrition
Liaison Committee to Council on Foods and Nutrition
Chairman, Section on Transfer of Technology for Developing Countries
Food Industry Liaison Advisory Panel, Department of Foods & Nutrition

Institute of Food Technologists:

Chairman, World Food Program Committee
Executive Committee, Northern California Section
Subcommittee on Scholarships and Awards
Chairman, Food Science Administrators Committee
Representative, Board of Directors, League of International Food
Education
Lecturer on Food Technology in Japan, 1978
Ad hoc Committee to Study the Feasibility of a Systems Analysis
of the United States Food Supply
Chairman, Nutrition Division
Chairman, Symposium on World Food Problems
Ad hoc Committee on External Fund Raising
International Committee

National Academy of Sciences:

Committees: Research in Life Sciences (Panel 22)
Nutrition in Space (Chairman)
Space Medicine
Space Biology
Biological Experimentation on Gemini and Apollo
Aquatic Food Resources
Food Protection, Food and Nutrition Board
Food Science and Technology (Chairman)
International Programs, Office of the Foreign Secretary
Evaluation of Needs in Food Science and Technology
Workshop on Technology of Fortification of Foods (Chairman)
Military Nutrition Research
Subcommittee: Food Technology

Panel on Waste Management
Chairman, Thailand Mission
Member, Argentina and Chile Missions
Chairman, Food Science and Technology Missions to Chile, Argentina
and Peru

ACS/NRC Liaison Panel to the Committee on Food Protection
Chairman, Food Science Committee Scientific Exchange with China

National Institutes of Health:

Grants Section--

Chairman, Toxicology Section
Chairman, Environmental Biology and Chemistry Study Section
Planning Committee for Environmental Biology & Chemistry Study
Committee on Training in Environmental Health
Consultant on Food Technology
Chairman, Special Staff Section on Food Science Needs

Nutrition Section--

Steering Committee in Agriculture
Organizing Committee
Food Technologist for Nutrition Surveys in Bolivia, Chile, Guatemala,
Honduras, Costa Rica, El Salvador, Paraguay, Colombia
Director and Food Technologist on Nutrition Surveys in Venezuela
and Uruguay
Special Study on Food and Nutrition
Committee on Preventive Medicine

Advances Research Projects Agency: Consultant on Army Rations

Agency for International Development, Department of State:

Consultant on Fish Protein Concentrate
NAS Liaison Representative to Food and Nutrition Program
Consultant in Food Science
Reviewer on Food Programs for Division of Science

~~American Institute of Nutrition, Program Committee~~

American Public Health Association:

Committee on Programs, Section on Food and Nutrition

American Standards Association: Committee on Industrial Safety;

Chairman, Committee on Vehicular Head Protection Z90.1
Chairman, Committee on Head Protection Z90.4

Caribbean Research Laboratories, Omni Corporation:

Member, Board of Directors

Chilean Government: Consultant on Food Science and Technology

Consortium for the Development of Technology: Chairman, Executive Committee
(Programs now under way in Brazil, Central America, Chile, Iran,
Saudi Arabia, Nicaragua, Dominican Republic)
Environmental Protection Agency: Scientific and Technical Merit Reviewer
for Research and Demonstration Grant Applications
Food and Agriculture Organization of the United Nations:
Consultant on Fisheries Technology
USA Representative to Technical Conference on Fisheries, Tokyo, 1973
Food and Drug Administration: Advisor, Good Manufacturing Practices
International Nutritional Anemia Consultative Group (INACG): Secretariat
International Standards Organization: USA Representative on Z90 Committee
International Vitamin A Consultative Group (IVACG): Secretariat
League for International Food Education: Member, Board of Directors
Meals for Millions: Consultant on Fish Protein Concentrate, Technical
Committee
Museum of Food Science and History: Member, Advisory Board
Sigma Xi Lecturer
Snell Memorial Foundation: President, Board of Directors
Society of Clinical Nutrition: Committee on Awards; Program Committee;
Committee on Sustaining Associates
Thailand Government: Consultant on Food Science and Technology
UNIDO: Consultant on Food Technology in Central America
United Nations: Consultant on Food Technology to Protein Advisory Group

Publications:

Author of--or contributor to--more than 400 research papers over the
past twenty-five years on chemistry, engineering, food technology, nutrition
and related fields.

Senior Editor: Advances in Food Research (30 volumes)
Editor: Research in Pesticides
Co-Editor: Monographs in Food Science and Technology (30 volumes)
Essays in Toxicology (7 volumes)
Advances in Food Research Supplements (6 volumes)
Microbial Safety of Fishery Products
Editorial Board: Journal of Agricultural and Food Chemistry
Invertebrate Pathology
