Clarence Sterling

List of Publications

113. Masuzawa, Mitsunobu, and Clarence Sterling. 1968. Gel-water relationships: 

114. Sterling, Clarence. 1968. Effect of low temperature on structure and firmness 

115. Sterling, Clarence. 1969. Comparative morphology of the carpel in the 
Rosaceae. X. Evaluation and Summary. Oesterreichische Botanische Zeitschrift
116:46-54.

116. Sterling, Clarence. 1969. Gel-water relationships in hydrophilic polymers: X-

118. Sterling, Clarence. 1970. Crystal-structure of ruthenium red and

119. Chu, George Hao, and Clarence Sterling. 1970. Parameters of texture change in 

120. Mao, Wei-Wen, and Clarence Sterling. 1970. Parameters of texture change in 

121. Sterling, Clarence. 1970. Role of pH in charging of glycogen. Biopolymers
9(8):891-896.

122. Huang, Shiu-Mei, and Clarence Sterling. 1970. Laticifers in the bulb scales of 

123. Mao, Wei-Wen, and Clarence Sterling. 1970. Parameters of texture change in 
processed fish: Cross-linkage of proteins. Journal of Texture Studies 1(4):484-
490.

chloroplast membranes after differential lipid extraction. Physiologia

structural alterations of the chloroplasts of spinach leaves by neutral salts. 

127. Sterling, Clarence, and Shiu-Mei Huang. 1972. Notes on laticifers of Allium, 

chloroplastes chez le Gladiolus. Comptes Rendus, Academie des Sciences, Paris
(Series D) 274:862-865.
